Shirley Chirch, MPH, COHN-S, CCM: Who has supervisory rights over an LPN? An occupational health physician who only provides orders at the request of the staff RN, or the staff RN who is on-site?

Board Response: You are also encouraged to review the Nurse Practice Act and set appropriate policies and procedures.

Linda Zwirlein, RN, MS: Does pronouncement of death fall within the Scope of Practice for the Licensed Practical Nurse in the state of Georgia?

Board Response: The Board does not view the pronouncement of death by a Licensed Practical Nurse to be within the Scope of Practice.

Alice Mims: Has the Board considered having two (2) levels of practical nurses?

Board Response: The Board thanks you for your suggestion.

Andrea Logan Bossie, MS, RN, CNN, FNP-C: Can a Licensed Practical Nurse who is certified do diabetic foot care?

Board Response: The Georgia Board of Examiners of Licensed Practical Nurses does not have a certification program. Please refer your question to the Georgia Podiatry Board.

Randi S. Burson, RN, BSN: What does a probated license mean and how long are they on probation?

Board Response: The Board has the authority to set probation based on a particular matter.

Dr. Lois R. Robley, PhD, RN: What is the status of practice of Licensed Practical Nurses.
